

- TASTE THE DIFFERENCE -

MODEL HDM75A

This flavor blender blends cookies and candies into ice cream, frozen yogurt and milk shakes quickly and efficiently.

The Electro Freeze Advantage

- **Industrial Grade 3/4 hp Motor** has proven to be dependable under heavy usage.
- **The Belt Drive System** puts stress on an easily replaced belt instead of the motor. Extending the life of the blender.
- **Patented Mixing Shaft** blends quickly and efficiently without altering the product or cutting cups.
- **Variable Speed Control** allows the operator to control the speed of the mixing shaft for blending and cleaning mixer.
- **Experience Tells** Electro Freeze has been manufacturing quality frozen treat machines since 1929. Superior engineering, product innovations, sturdy construction, quality craftsmanship and dependable performance are Electro Freeze hallmarks.
- **Superior Service Support** backed by a world-wide distributor network.

Optional

- **Footswitch** allows the operator to activate the flavor blender with a touch of their foot.
