

- TASTE THE DIFFERENCE -

## MODEL 15-78RMT

2 machines in 1 for maximum menu flexibility! This pressurized machine produces high-quality, high-volume soft serve and shakes in one footprint. The shake side features a dispense-head-mounted mixer that blends flavors and/or crumb toppings into the shake product as it is dispensed, producing a high-quality, hand-made shake consistency. The fast, easy way to serve flavors regardless of the viscosity of the flavoring syrup or the fruit pulp it contains. The single-flavor soft serve is great for high-volumes of cones and sundaes. This machine is perfect for QSR's that want speed of delivery with the highest quality shakes and ice cream available!

### The Electro Freeze Advantage

- **Patented Mix Transfer System\*** simplest and most reliable pressurized system available.
- **Flexible Mix Holding System** Pumps directly from bags or from mix containers
- **The Finest Frozen Product**, consistently the best frozen product available. Smooth, creamy and profitable.
- **Self Closing Spigots** prevents the mess and eliminates waste
- **Adjustable Dispense Rate** set to meet your specific dispensing speed and volume requirements
- **Exclusive Auger Design** Superior low temperature refrigeration system provides the best in class production and product quality.
- **Energy Conservation Mode** reduces energy cost and holds product safely during non-business hours
- **Exclusive Mixer Design** allows the operator to simultaneously dispense and blend in flavoring to reduce serving time.
- **Experience Tells** Electro Freeze has been manufacturing quality frozen treat machines since 1929. Superior engineering, product innovations, sturdy construction, quality craftsmanship and dependable performance are Electro Freeze hallmarks.
- **Superior Service Support** backed by a worldwide distributor network
